□

Před několika lety ještě plný elánu s náminatáčet jako zvukař filmy o varhanách s panem Novenkem. Jako zkušený muzikantvěděl dobře kam se postavit, aby varhany zněly co nejlépe. Řeč je o našem výborném kamarádu Pepovi Jíšovi, který před několika dny po delší nemoci odešel navždy z našeho středu. My, kluboví přátelé si uvědomujeme, že v něm ztrácíme jednoho z mála opravdových fachmanů amatérského filmu. Dovedl vždy nejen poradit, ale i nezištně podat pomocnou ruku, bylo-li třeba. Budeme na Tebe, Pepo, dlouho vzpomínat členové ČKK Praha!
